

Quick Tips For Using My Pace Numbers To Find Value:

Sprints – Respect the #1 and #2 early pace horses for the Win position

Routes – Respect the #1 and #2 early pace horses and the #1 and #2 late pace horses for the Win

Combined – Respect horses with the highest Combined number (3rd number)

Bankroll – Keep wagers at 2% (or less) of your total bankroll

Straight Win wagering – 2% of bankroll for straight Win bets.

Straight Win minimum odds – 4/1 or better.

Long Shot Tiered WPS – 1 Unit Win, 5 Units Place, 20 Units Show

Approx 34% of all races are won by either the #1 or #2 early pace horse.

Full card pace numbers for the major tracks (Thursday thru Sunday) are only available in the member's section at the website. On Thursday, August 20th, the price for a monthly membership will be reduced to only \$9.99 per month. This will be a limited time offer.

For a detailed explanation on how to use my pace numbers, read this PDF file on my site:

http://howtopicklongshots.com/blog/horse_racing_pace_selections/000_pace_numbers_explained.pdf

(there is a link to the file on the main page of the blog)

If "0 0 0" is listed for pace numbers, data is unavailable. Same for "no data".

Turf Report: take note of first time starters with turf pedigree. Also take note of horses with turf pedigree who are returning to grass after racing on dirt/synthetic.
